## **Clif Marsiglio Announces Candidacy for Lieutenant Governor of Indiana**

**Indianapolis, IN** – June 17, 2024 – Clif Marsiglio, Community Leader and educator, proudly announces his candidacy for Lieutenant Governor of Indiana. Marsiglio aims to bring back Hoosier Hospitality to the Great State of Indiana.

“I had hoped to sit this one out, but Indiana stands at a crossroads,” said Marsiglio. “We can travel down the authoritarian vision of a convicted criminal and those who worship him, or we can build a state where every community thrives, every person is valued, and education is governed rationally. Indiana has always loved those who fight, and until the Democratic Party fights as hard as those on the other side, we will lose. I WILL FIGHT LIKE HELL TO SERVE YOU.”

### **Marsiglio’s platform focuses on three key areas:**

#### **1. Empowering People To Do What’s Right With Their Bodies, Beliefs, and Family**

*Marsiglio believes in the fundamental right of individuals to make decisions about their bodies, beliefs, and families. “Empowerment means trusting people to know what’s best for themselves and their loved ones,” Marsiglio emphasized.*

## **2. Repairing Education in Indiana**

*“The 20-year Republican supermajority has devastated our education system. Working in higher education, I see political appointees who race to virtue signal for the worst of the worst, destroying everything they touch,” Marsiglio stated. With the majority of college graduates leaving the state, he is committed to creating an environment that encourages them to stay and contribute to Indiana’s future.*

## **3. Rebuilding the Economy Throughout the State**

*“We will rebuild factories, build up our rural regions, and stop selling our land to foreigners. We need a strong middle class with unions leading the charge to prosperity in homes throughout the state,” Marsiglio declared.*

Marsiglio’s campaign is built on inclusivity, inviting individuals from diverse perspectives to join the conversation. “Our state is strongest when we work together, listen to each other, and find solutions that uplift everyone. I’m excited to embark on this journey with my fellow Hoosiers and make Indiana a beacon of progress and unity.”

Clif Marsiglio lives in Indianapolis with his partner, Amy, two preteen children, and their beloved dog, Indigo. His extensive background in community organization, thirty years in education and public safety, combined with his progressive vision, makes him a compelling candidate for Lieutenant Governor.
